

Probate Notes for April 30, 2015

Probate notes are a recommendation as to the outcome of the petition. Unlike tentative rulings, they do not automatically become adopted as the order of the court. Unless an appearance at the hearing is otherwise required by law, if petitioner submits a proposed order prior to the hearing and the recommendation is to grant the petition, no appearance is necessary. If you are scheduled to appear and there is no probate note issued in your case, you should appear as scheduled. If you wish to continue a matter, you must contact the civil division at (530) 406-6704, at least two (2) court days before your hearing.

Please note: The following probate matters will be heard in **Department Two at 9:00 a.m.**

CASE: Estate of Flippo, Jr.
Case No. CV PB 13-81

The parties are **DIRECTED TO APPEAR** on Linda Jo Flippo's January 14, 2015, petition for: 1) authorization of proposed action, 2) an order authorizing and instructing the personal representative, and 3) an order confirming the acts of the personal representative.

The Court notes the following deficiencies with Linda Jo Flippo's first and final account and report of administrator and petitions for: 1) its settlement, 2) final distribution, 3) allowance of administrator's commission, and 4) statutory and extraordinary fees:

1. Proof that notice of the hearing has been given to each known heir whose interest in the estate would be affected by the account, or to those who have requested special notice, has not been filed with the Court. (Prob. Code, § 11000.)
2. Petitioner requests an order that the Court approves or confirms all acts of petitioner during administration. However, the January 14, 2015, petition on those issues is still pending before the Court.
