Sentencing Guidelines Overview

The standard Sentencing Guidelines is a compilation of recommended sentences, including fines and terms and conditions of probation, for the most common misdemeanor and infraction offenses. This document is meant to be used as a guide and does not remove any discretion from a judicial officer when determining the most appropriate sentence.

The following pages provide an overview of the Guide.

Fines and Conditions of Probation

The sentencing recommendations shows the recommended total fines (in the box designated as total), including all assessments and restitution fines, as well as mandatory and recommended terms and conditions of probation, if applicable. All grants of probation include:

Obey all laws

Report to the Court when ordered to do so and notify the court within ten (10) days of any change of address or employment

Pay a sentencing fee if sent to jail.

Report to Yolo County Collections Services to sign a statement re: assets, liabilities, and income for County Fees.

Fines and fees:

No less than a \$150 Restitution Fine

\$40 Court Operations Assessment (per count-for both infractions and misdemeanors)

\$30 Criminal Conviction Assessment (for each misdemeanor count; \$35 for each infraction count)

\$10 Recordkeeping fee (per case-Vehicle Code Violations only-for both infractions and misd.)

\$4 Emergency Medical Air fee (per count-Vehicle Code Violations only-for both inf. and misd.)

The following are not included in the total fine:

1. The Probation Revocation Restitution Fine (PRRF) in an amount equal to the Restitution Fine, which must be imposed and suspended separately from the total fine due (Penal Code § 1202.44).
2. Actual restitution to the victim, which must be determined and ordered separately.
3. Attorney fees if the defendant utilizes the services of appointed counsel.
4. \$50 lab fee (mandatory) for most drug related offenses
5. \$615 drug program fee for most drug related offenses (unless waived per H&S §11372.7)
6. \$750 Domestic Violence fee

Fine amounts reflected in red indicate that the amount is the statutory minimum permitted for the particular violation and that a fine of a lesser amount may not lawfully be imposed.

Condition of probation with a "(mandatory)" indication directly after the term are minimum conditions required by statute.

Payment of Fines, Fees and Assessments

A defendant may set up a payment plan or defer payments by going to the kiosk on the first floor, selecting "Payments", and the clerk at the window will set up the plan. In the alternative, a defendant may request the Judge to set up a payment plan or to defer payment.
